Douglas Coupland 2008-12-02 Pregnant and secretly married, Cheryl Anway scribbles what becomes her last will and testament on a school binder shortly before a rampaging trio of misfit classmates gun her down in a high school cafeteria. But for a handful of people still reeling from that horrific day, life remains permanently derailed. Four dramatically different characters tell their stories: Cheryl, who calmly narrates her own death; Jason, the boy no one knew was her husband, still marooned ten years later by his loss; Heather, the woman trying to love the shattered Jason; and Jason's father, Reg, whose rigid religiosity has separated him from nearly everyone he loves.
