*A George Herbert Companion (Routledge Revivals)* Robert H. Ray 2014-05-01 First published in 1995, this title provides the reader with a compendium of useful information for any reader of George Herbert to have at hand. It includes key biographical information, situates the poetry in its historical and cultural context, and, where appropriate, explains theological concepts and traditions which have a direct bearing on the verse. The aim throughout is to enhance

understanding and appreciation, without being exhaustive. A George Herbert Companion will be of most use to general readers and undergraduate students coming to this poetry for the first time, and will interest students of Anglican Caroline theology and hymnology.

*Argenis* John Barclay 1623 Barclay's much amended and annotated draft, in his own hand. Leaf 312 to the end contains drafts of poems.

**One Hundred Great Essays** Robert DiYanni 2002 One Hundred Great Essays provides that number of the most exemplary and rewarding selections available

in the English language. The anthology combines classic essays of great instructional value together with the most frequently anthologized essays of recent note by today's most highly regarded writers. The selections exhibit a broad range of diversity in subject matter and authorship. All essays have been selected

for their utility as both models for writing and for their usefulness as springboards for independent writing. An introductory section informs readers about the qualities of the essay form and offers instruction on how to read essays critically and use the writing process to develop their own essays. For those interested

in learning about reading, writing and critical thinking by studying examples of great writing.

*Evidence in the Age of the New Sciences* James A.T. Lancaster 2018-10-24 The motto of the Royal Society—Nullius in verba—was intended to highlight the members' rejection of received knowledge and the new place they afforded direct empirical evidence in their quest for genuine, useful knowledge about the

world. But while many studies have raised questions about the construction, reception and authentication of knowledge, Evidence in the Age of the New

Sciences is the first to examine the problem of evidence at this pivotal moment in European intellectual history. What constituted evidence—and for whom?

Where might it be found? How should it be collected and organized? What is the relationship between evidence and proof? These are crucial questions, for what constitutes evidence determines how people interrogate the world and the kind of arguments they make about it. In this important new collection,

Lancaster and Raiswell have assembled twelve studies that capture aspects of the debate over evidence in a variety of intellectual contexts. From law and theology to geography, medicine and experimental philosophy, the chapters highlight the great diversity of approaches to evidence-gathering that existed side

by side in the sixteenth and seventeenth centuries. In this way, the volume makes an important addition to the literature on early science and knowledge

formation, and will be of particular interest to scholars and advanced students in these fields.

**Like Season'd Timber** Edmund Miller 1987 "Like Season'd Timber" explores new areas for the study of George Herbert. Essays offering new light on Herbert's biography and his relation to the arts are followed by studies of the less familiar works and of Herbert's relation to his poetic contemporaries. The last section of the book explores Herbert's influence on a number of major writers since the revival of interest in the early nineteenth century. Contributors include such major scholars of seventeenth-century literature as Joseph Holmes Summers, Jerome Mazzaro, and the late Amy M. Charles and also a range of younger scholars with specialized backgrounds in the subjects of their particular essays.

**Literature** Robert DiYanni 2007 This edition of Robert DiYanni's Literature presents 55 stories; 334 poems; 16 plays and offers classic works as well as works by authors who are writing today, eight Authors in Context, and a Transformations chapter on revisions, translations, and adaptations. The accompanying CD-ROM contains 28 interactive author casebooks (biographies, interactive texts, timelines, and bibliographies related to a single writer) and includes a collection of readings of poems, dramatizations of stories, and brief video lectures by McGraw-Hill authors and other experts. A.R.I.E.L. is multimedia that serves to complement this literature text.

**Performing Prose** Chris Holcomb 2010-05-06 In *Performing Prose*, authors Chris Holcomb and M. Jimmie Killingsworth breathe new life into traditional concepts of style. Drawing on numerous examples from a wide range of authors and genres, Holcomb and Killingsworth demonstrate the use of style as a vehicle for performance, a way for writers to project themselves onto the page while managing their engagement with the reader. By addressing style and rhetoric not as an editorial afterthought, but as a means of social interaction, they equip students with the vocabulary and tools to analyze the styles of others in fresh ways, as well as create their own. Whereas most writing texts focus exclusively on analysis or techniques to improve writing, Holcomb and Killingsworth blend these two schools of thought to provide a singular process of thinking about writing. They discuss not only the benefits of conventional methods, but also the use of deviation from tradition; the strategies authors use to vary their style; and the use of such vehicles as images, tropes, and schemes. The goal of the authors is to provide writers with stylistic “footing”: an understanding of the ways writers use style to orchestrate their relationships with readers, subject matter, and rhetorical situations. Packed with useful tips and insights, this comprehensive volume investigates every aspect of style and its use to present an indispensable resource for both students and scholars. *Performing Prose* moves beyond customary studies to provide a refreshing and informative approach to the concepts and strategies of writing.

**Inquiry and the Literary Text** James Holden 2002 *Inquiry and the Literary Text* will help newcomers and veterans alike make the most of student discussion and inquiry in classrooms from middle school to high school to college. The contributors--secondary and college practitioners--offer theory-grounded, classroom-tested approaches for literature study in which students engage in democratic dialogue and practice authentic, collaborative inquiry. The book opens with a concise primer on discussion-based classes (seminars) and inquiry-focused instruction. It then moves into three main sections that provide ideas to invigorate discussion and inquiry in any classroom, and it closes with an annotated bibliography of suggested readings.

**A Concise Companion to Postwar American Literature and Culture** Josephine Hendin 2008-04-15 This Concise Companion is a guide to the creative output of the United States in the postwar period, in its diverse energies, shapes and forms. Embraces diversity, covering Vietnam literature, gay and lesbian literature, American Jewish fiction, Italian American literature, Irish American writing, emergent ethnic literatures, African American writing, jazz, film, drama and more. Shows how different genres and approaches opened up creative possibilities and interacted in the postwar period. Portrays the postwar United States split by differences of wealth and position, by ethnicity and race, and by agendas of left and right, but united in the intensity of its creative drive.

**Die Verwirrungen des Zöglings Törleß** Robert Musil 2013 *Die Verwirrungen des Zöglings Törleß* ist der erste Roman von Robert Musil. Mit Hilfe der psychologischen Darstellung der Pubertät von vier Schülern spiegelt der Roman modellhaft autoritäre Gesellschaftsstrukturen wider, indem er einen Zusammenhang zwischen psychischer Disposition und totalitärer Institution herstellt. Die Handlung spielt vor dem Hintergrund der Ichfindung des jungen Törleß im Spannungsfeld von Rationalität und Emotionalität einerseits sowie Intellektualismus und mystischer Welterfahrung andererseits.
