The Foundations and Versatility of English Language Teaching (ELT) Christoph Haase 2018-12-14 While the field of ELT studies sees continued horizontal and vertical diversification, it is also time to take stock of what has made the discipline the field it presents itself as today. As horizontal diversification, we can identify trends that involve a continued inclusion of more fields of study into the family of methods and approaches of ELT. Especially in the technical sense, e-learning has matured and new forms of online learning and teaching have emerged, be it via teleconferences or short-message services for vocabulary training. However, a massive extension has occurred within the so-called social media. The vertical dimension affects a depth of analysis not seen even a decade ago, when for example small and relatively simple learner corpora were used for linguistic analysis that rarely went beyond rote frequency counts. The increasing sophistication in these two dimensions is also reflected in the research papers collected in this volume.

Statutes and Ordinances of the University of Cambridge 2004 University of Cambridge 2004-09-30 This is the latest updated edition of the University of Cambridge's official statutes and Ordinances. *Oxford IB Diploma Programme: English A: Language and Literature Course Companion* Rob Allison 2013-03-21 Written by the authors of the current syllabus, this book will help address all the requirements of the new course at both standard and higher level. It will actively engage students in language and literature, allowing them to become informed and critical learners through understanding and producing language of a wide range of works, from poetry to political speeches to simple advertisements or graffiti. The range of exciting literature offers a fresh look at unfamiliar texts so that students are able to confidently encounter works and topics and develop and communicate understanding. Through interesting activities and model works, students will learn about the most current approaches to critical language in areas such as mass communications, language in cultural contexts and literature - in line with the new syllabus. Support is given for the assessment, including the oral commentary. The most comprehensive and accurate match to the most recent syllabus, developed with the IB and written by IB workshop leaders and authors of the syllabus Fully captures the IB spirit, thoroughly incorporating fresh and topical TOK to drive independent thought Comprehensive support for 'language in a cultural context,' building international-mindedness in a linguistic context Current, diverse and topical text extracts from Wikileaks to graffiti to advertisements will resonate with learners The best integration of the IB philosophy, with evocative activities to help students think creatively and discerning questions to drive critical thought Packed with accurate assessment support, directly from the IB, including model answers, assessments advice and more, completely aligned to the new assessment *English A: Language and Literature for the IB Diploma Coursebook* Brad Philpot 2019-08-31 Fully revised for first examination in 2021 with an emphasis on 21st century skills. This activity-based coursebook for classroom use is clearly organised into three parts: text types, global issues and assessment. The first section defines and analyses a range of literary and non-literary text types. The global issues section integrates all three areas of exploration from the revised syllabus, into meaningful units. The coursebook includes curated video links and samples of Paper 1, Paper 2, the individual oral and the higher level essay. Higher level extension activities are included in each unit, with key concepts and guiding questions integrated throughout. Answers are in the teacher's resource.
